Sabino Road Baptist Church June 1st through June 21st Newsletter

Church family,

I hope and pray you are all doing well. We are finally getting back into the swing of things after an unprecedented time apart. This has been an unusual time for our country, world and church but one thing has been crystal clear throughout this pandemic, the

Church is strong. All around the world Christ's church has adapted and adjusted to face these times. The Church does not wilt during adversity, the Church was born in adversity and thrives in it today.

I wanted to say thank you for your faithfulness. Many churches have fallen on hard times financially during this pandemic and thankfully ours has been in a good place. So, thank you and please stay faithful in the months ahead. With many different opinions on controversial subjects, it's easy to grow divided, so be sure to stay extra gracious with one another. Unfortunately, our church has had to cancel and postpone many events, so I ask you to stay flexible. God is not surprised one bit how this year has gone and I'm certain He's using these uncertain times for His glory.

Lastly, I ask you to keep it up. It's easy to lose heart during challenging times, but the child of God always has reason to hope and press on.

Heb. 12:1-2 *"Therefore, since we are surrounded by so great a cloud of witnesses, let us also lay aside every weight, and sin which clings so closely, and let us run with endurance the race that is set before us, looking to Jesus, the founder and perfecter of our faith, who for the joy that was set before him endured the cross, despising the shame, and is seated at the right hand of the throne of God."*
