Pastor's Pen

Church family,

2 Cor. 4:7 "But we have this treasure in jars of clay, to show that the surpassing power belongs to God and not to us." It's an incredible thought to know, that God has entrusted the most valuable treasure in ordinary people. The treasure of the gospel has not been reserved for the elite or the empowered but to any and all believers. It is in human nature to celebrate people and their triumphs but at best, we are simply jars of clay. People come and go but the work of the gospel, work of the kingdom, continues. May we never get over the remarkable responsibility we've been given.
