

WHAT IS PRESIDENT’S DAY ALL ABOUT?

Presidents Day is an American holiday celebrated on the third Monday in February; Presidents Day 2020 occurs on Monday, February 17. Originally established in 1885 in recognition of President George Washington, the holiday became popularly known as Presidents Day after it was moved as part of 1971’s Uniform Monday Holiday Act, an attempt to create more three-day weekends for the nation’s workers. While several states still have individual holidays honoring the birthdays of Washington, Abraham Lincoln and other figures, Presidents Day is now popularly viewed as a day to celebrate all U.S. presidents, past and present.

Sabino Road Baptist Church February Newsletter

Billy Graham Devotional

Keep yourselves in the love of God . . . —Jude 21
The Bible is a revelation of the fact that God is love. Many people misunderstand the attribute of God’s nature which is love. “God is love” does not mean that everything is sweet, beautiful, and happy, and that God’s love could not possibly allow punishment for sin. When we preach justice, it is justice tempered with love. When we preach righteousness, it is righteousness founded on love. When we preach atonement, it is atonement planned by love, provided by love, given by love, finished by love, necessitated because of love. When we preach the resurrection of Christ, we are preaching the miracle of love. When we preach the return of Christ, we are preaching the fulfillment of love. No matter what sin you have committed, or how terrible, dirty, or shameful it may be, God loves you. This love of God is immeasurable, unmistakable, and unending!

Prayer for the day:
My heartfelt gratitude to You, Father, for Your forgiveness and love. I must be acutely aware that in all my dealing with others the only yardstick I have is Your immeasurable love.
