SABINO ROAD BAPTIST
JUNE—JULY 2022

God's Grace

Church life constantly ebbs and flows. A week or two of "down" time and then a week or two (or more) of prep for the next big event, then the event. And so life at church goes.

I've been told that people really didn't think that that much happens in the office but it is a constant beehive of activity.

God continually shows grace. He provides the time that is needed to get things done. He also provides the time to be a listening ear, a shoulder to cry on, and a friend to many.

"And God is able to make all grace abound to you, so that always having all sufficiency in everything, you may have an abundance for every good deed." 2 Corinthians 9:8

There is always a cup of coffee to be drunk (or a cold bottle of water). AND time to chat. God's grace is enough.

Sabbah Il Khir! (Good Morning)

Prayer Answered

Thanks to your prayers and God's grace, I met my language requirement! PTL!

Gospel Shared

I've had the opportunity to teach English at a refugee school, there the door opened to give teacher trainings. Through these trainings, I have met some ladies and have been visiting them in their homes! During those visits, I have been sharing Jesus boldly! One of the ladies I am visiting is now telling me the stories I have told her. Please pray for Salvation for her and those I am visiting.

Partnership Growth

I have had a few visitors; it is so encouraging to host them! One of my heart desires is that Sabino Road would grow a passion for the nations and join me in the work proving so. Please ask God how you can reach the nations.

Finally, you know P John and Bob visited! We had a blast; it was whirlwind of a ride! I know you saw pictures! Ruins, museums, churches, preaching, history, taxis and molokhia. Being away reminds me how blessed it is to gather as Hebrews 10:25 says.

How We Got the Bible

Have you ever wondered who wrote the books in the Bible and how they ended up together? Has anyone ever told you that some books were cut out of the Bible or that the stories of Jesus in the Gospels can't be trusted? In this book, dive into the fascinating account of the most amazing and best-preserved book the world has ever seen. Dr. Timothy Paul Jones gives easy-to-understand answers to popular questions on the Bible's reliability and accuracy.

Food Distribution

Be blessed on Tuesdays by picking up food that has been rescued from Trader Joe's for the summer. We will provide food bags or boxes to any church member that comes by between **1:00-2:00 p.m.** It will be **every Tuesday** at the same time. First come, first served. All are welcome to receive regardless of financial status. This is a blessing for all.

Operation Christmas Child items for June are games and donations for the mailing of the boxes. Place items in the collection box in the Fellowship Hall.

We will wrap up Operation Christmas Child in July with a "Christmas in July Party" on July 24th directly following the worship service. We will pack shoeboxes with whatever items have been donated.

If you have taken a box, you can return it anytime between now and July 24th. Thanks to everyone who has contributed!
